

Trust Your Intuition Tarot Spread

1. What is the primary way my intuition communicates with me?
2. What sign will my intuition send when it speaks to me?
3. What is the best way to deepen my connection to my intuition?
4. What can I trust in without a doubt right now?

****Finale Question! Special Instructions***

5. *Before you pull any cards...ask yourself: **What advice does my higherself have for me today?** Feel into the answer before you pull your card and use your intuition! Note what surfaces then pull a card for this question. How does your feeling compare with the cards drawn?*
